

ONLEVEL

GUARDIAN OF THE UNIVERSE
BALUSTRADE POST SYSTEM

GUARDIAN OF THE UNIVERSE

A strong and secured fall protection balcony system for your home

Guardian of the Universe

Our Railings are a range innovative railing systems designed to be fully modular. The pre-assembled aluminium posts have a stunning satin anodised finish and are available in square profiles ready to install. Fully engineered to meet the requirements of most applications, the systems can be installed with or without a top rail to provide an economical solution for a post and glass panel design. Each system can be fully fitted using basic equipment.

Essential Features

- | Aluminum-glass Balustrade system
- | Pre-assembled aluminium posts
- | Strong, stable, secured
- | Slick and elegant
- | Aluminium & satin anodised finish
- | High safety standards
- | Fully modular
- | Quick and simple, plug and play installation method
- | Suitable for 10.76mm
- | Post centre to centre distance 1.2m
- | Suitable for indoor & outdoor installations
- | Posts available in bolt-down & side-fix

To suit 10,76 mm glass

Completely pre-assembled
post system
